Superb Culinary Tour of Tuscany's Town & Countryside

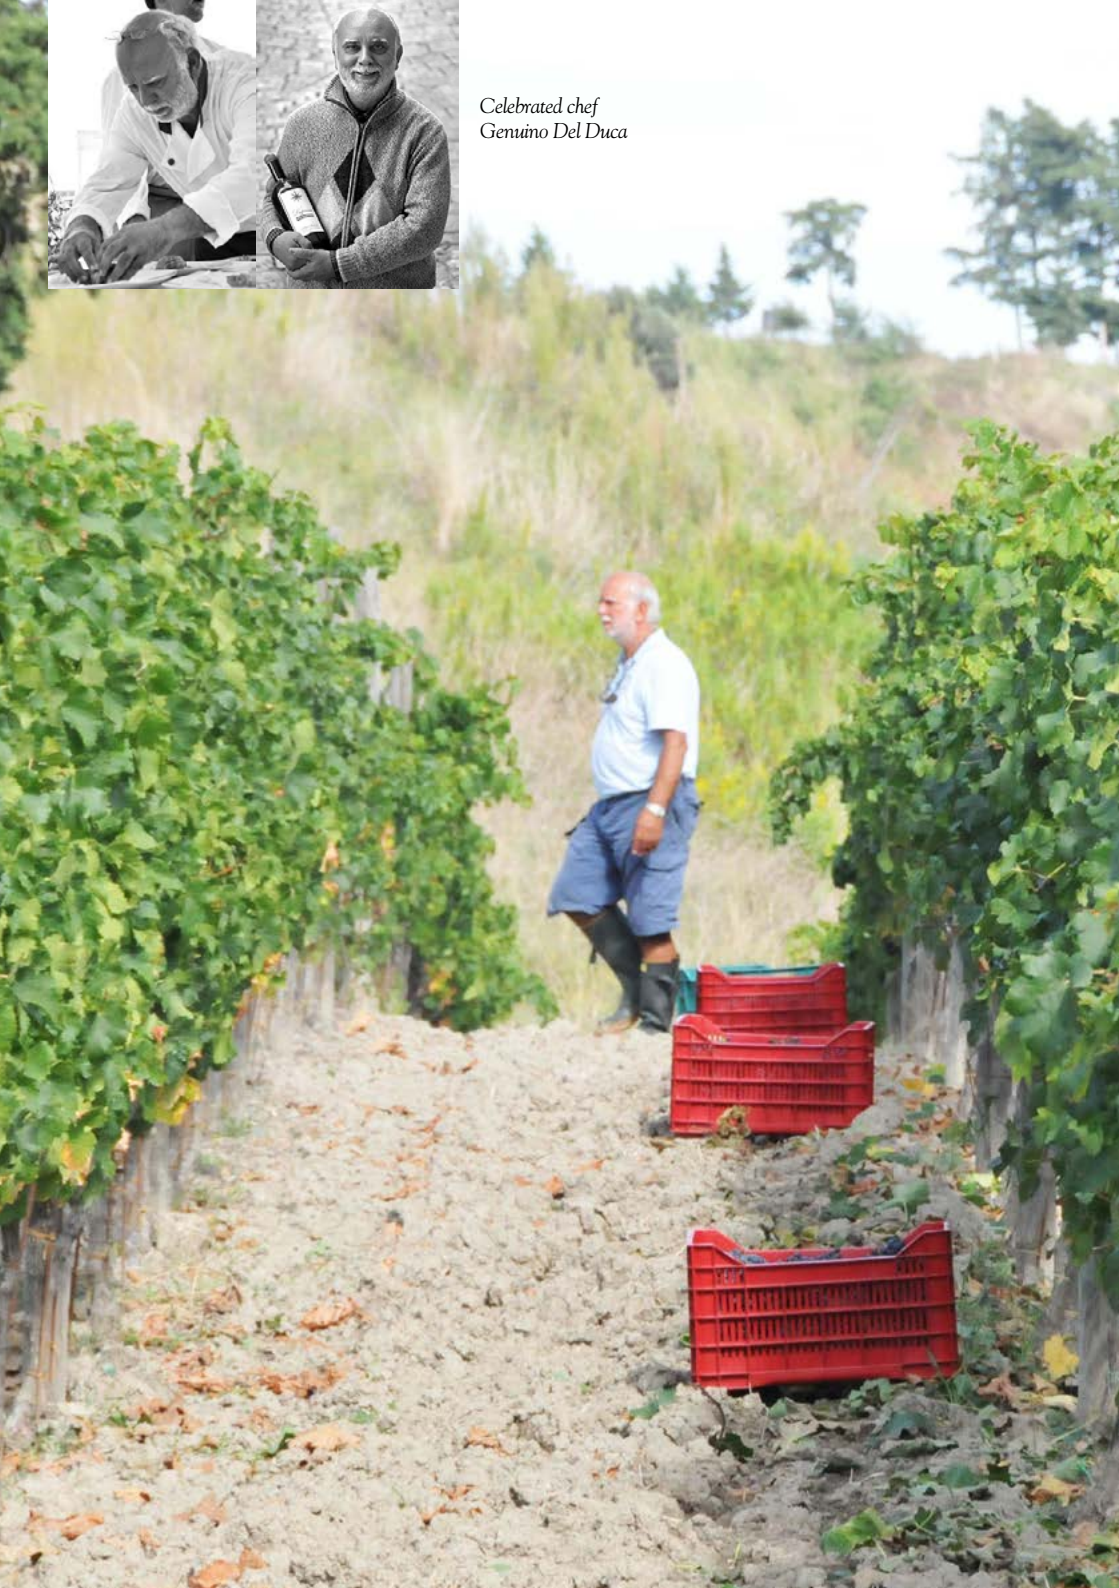

In September 2020, escape with me to the rolling hills, medieval towns, olive groves and vineyards of Tuscany. Warm welcomes by winemakers, estate owners, chefs and artisan producers await you. Fantastic food and wine in fabulous settings will set the stage to swap stories and laughter with our gorgeous Tuscan hosts.

Join me and fascinating local characters as they gather porcini mushrooms and grapes from the fields. From the ancient walled town of Volterra to the former summer retreat of Salvatore Ferragamo, we stay in specially selected accommodations for an unforgettable journey through Tuscany including three cookery lessons.
